# HARI'S CHALETS

These six attractive chalets are available for hire throughout the year. High seasons are July/August and from Christmas to Easter. Reduced rates are offered during low season. Details of rates and full rental information on request.

This is how you sleep at Hari's Chalets. It's not always quite like this - but pillow fights are not unknown here! And even Mr Hari has been known to join in the good-natured bedroom battles. But a word of warning - he has had plenty of practice. And he's nearly always on target!

Our chalets are so comfortable, with lots of wood and a welcoming ambience. With simply everything from kitchen, dining & sitting room and play area to spacious washrooms, showers and toilets. Simply super!

Depending on the size of the chalet, our bedrooms can sleep from 2 to 13 people. The rooms offer single beds, double beds and group facilities, with pillows, woollen blankets or bedspreads. All you have to bring is your own bedlinen or sleeping bag.
